Hawk and Owl Trust family day

Blacksmith's Arms, Lastingham, North Yorkshire YO62 6TL

A chance for youngsters to get to know the Trust's conservation work, plus lots of fun. No admission charge.

We hope to have live birds of prey and heavy horses, as well as stalls, raffle prizes, and great food for which the pub is renowned (plus, of course, some fine real ales). So, bring the whole family along for a great afternoon in support of the Trust.
