Join the Bath and West Wiltshire group of the Hawk and Owl Trust at the Bath Cricket Ground Car Park from 6.00pm to watch the Peregrines on St John's Church.

Hopefully we'll see the adult birds hunting the skies above Bath and the young bird almost ready for its first flight from the nest box.

Committee members will be available with telescopes and to answer any questions.

Meeting Time: 6.00pm.

A voluntary collection will be made for the Trust's [40th Anniversary Appeal](#). The Trust was set up in 1969 to save British peregrines from extinction. They have recovered so well that now we can all celebrate their spread from wild cliffs and crags to breed in our towns and cities.
