

10 reasons to join

Go [straight to membership form](#) or [renewal form](#)

1 Support our vital conservation work

Helping owls and birds of prey requires enormous resources; every membership contribution helps.

2 Support our research

The Trust is able to support research focused on the needs of birds of prey and owls

3 Support our education work

Enabling children to understand and love hawks, owls and other birds of prey, and how they are vital to the rest of the natural world, is essential for the future of these species. The Trust has two education centres.

4 Share your enthusiasm with people who are as passionate as you

5 Enjoy the chance to participate in active conservation

6 Enjoy the chance to join in important surveys

7 Join like-minded lovers of raptors at social and educational events

8 Keep in touch with developments at our key reserves for birds of prey

9 Receive our magazine *Peregrine*

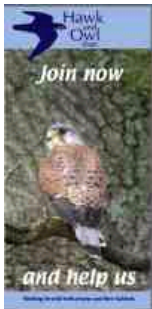

10 Show the world how important raptors are to you
