

A gift in your Will

Bequests make a vital contribution to Trust work

By remembering the Hawk and Owl Trust with a gift in your Will, you can help to secure the future for owls, and other magnificent birds of prey, which currently face many threats.

Although legally protected, they are vulnerable to mounting human pressures. Habitats are destroyed, modified or fragmented. Birds of prey also suffer from pollution, road deaths, poisons, direct persecution and nest robbing.

Once you have made provision for friends and family, leaving a gift to the Hawk and Owl Trust means you can help conserve these wonderful creatures, flying free in our towns and countryside.

Your Will is one of the most important documents you will ever sign, so we recommend using a qualified will-writing professional to ensure that it is valid and your wishes clearly expressed.

However, we can provide information to help you plan before visiting a solicitor or other professional adviser to make – or change – your Will. Amendments are not difficult to make.

As the Trust is a charity, your generosity will be free of inheritance tax.
