

Sculthorpe Moor Centre, Norfolk

**Environmentally friendly,
well-equipped venue
available to hire
for meetings, seminars,
workshops and events**

Shrink your carbon footprint when you hire the brand new centre at Sculthorpe Moor Community Nature Reserve, Fakenham – a few miles inland from the North Norfolk coast.

The centre, with its eco-friendly, energy-efficient features, is built of renewable forest products, with power provided by a wind turbine.

The award-winning reserve is recognised as nationally and internationally important for its special wetland wildlife. It provides an ideal opportunity for outdoor relaxation to complement productive sessions indoors, combining mental and physical well-being.
