

Friends of Sculthorpe Moor

Join the Friends of Sculthorpe Moor

A great deal of work has taken place since breaking ground at the reserve in 2002, but there is still much to be done. We still need more volunteers and above all we need your support.

By becoming a Friend you will be contributing directly to the conservation, education and future project work carried out by the Hawk and Owl Trust on Sculthorpe Moor. You will receive information about special events, talks and activities taking place at the Education Centre. You will also have the opportunity to take part in practical conservation work on the moor.
