

Sculthorpe Young Rangers

Help manage habitat and survey wildlife

The Sculthorpe Young Rangers has been formed for young people between the ages of 12 and 18 years who would like to help with habitat management and surveying wildlife at Sculthorpe Moor Community Nature Reserve.

Each month we will take part in a practical activity, such as scrub clearance, counting butterflies or watching birds being ringed, to help look after the habitats on the reserve and find out more about the wildlife living there.

Each session costs £2.50.

Meeting dates for 2012

Sunday 26th February 2 - 4pm

Sunday 18th March 3 - 5pm. Join in with guided walk for Mothering Sunday

Sunday 1st April 2 - 4pm

Sunday 6th May 2 - 4pm, Saturday 19th May helping at 'Wild about the Wensum'

If you are interested in coming to a Young Rangers meeting then please contact Leanne Thomas on 01328 856788 or email [here](#)
