

Volunteer conservation assistants

Volunteering at Sculthorpe Moor Community Nature Reserve

Volunteer conservation assistants

Can commit to a day or half day once a week, fortnight or month and are:

- interested in practical outdoors work, sometimes fairly strenuous
- based outdoors on the reserve

The work includes scrub and tree clearance, maintenance of boardwalk and paths, management of reed and sedge beds, erection of fences and nest boxes etc.

Training will be provided.

Creating a hazel screen

Anyone interested should contact [Sculthorpe Moor Reserve](#)
